Week 1: February 10 — 16

HOW TO DRAFT WELL

SHARE (Optional):

Each week we invite one or two people to briefly share their life stories, explaining what has brought them to where they are today. Who would like to share today?

CONNECT:

- Who is your favorite sports team? Why?
- Who is your least favorite sports team? Why?
- If you could spend the afternoon with anyone besides Jesus and gain a consultation on life, who would you choose? Why?
- Why did you pick this group to be a part of?
- What are you looking forward to most this group session?

GROW:

Watch Video Clip #1 (approx. 10 min with intro)

Is there anything from this clip that convicts you or inspires you? Explain.

Winners draft well, not just the good players, but the right players.

What is your favorite restaurant, grocery store, place to shop, or even hospital? What makes these places your favorites? Were your choices influenced by the people who work there?

Who is in your life right now that makes you a better person?

Is there anyone in your life that you think is dragging you down from where you want to be? Explain.

Where do you want to be or go in your life? Do you feel like you have an “anointed adventure?” Why?

What would you say is your “why,” your mission or way to contribute to change the world? If you don’t have a clear answer to this question then what do you think is your next step?

Why do you think drafting Jesus as the #1 pick might be a game changer?

Read Romans 7:15-25, & 6:2-4.

Watch Video Clip #2 (approx. 2 min)

Is there anything from this clip that convicts you or inspires you? Explain.

Drafting well is not just about who and what we pick up to aid us in our “anointed adventure.” It is also about what we put down, who we drop or what sins we kill at the root.

What is the cost to your contributing mission if you move forward still with enslaving sin in your life?

If you feel comfortable sharing, what in your life needs to be killed at the root, so that it stops popping up and/or growing stronger in your life? If you do not feel comfortable sharing, who can you talk to openly about such things? Is it time to draft someone else onto your team to help you in this endeavor?

What role do you think Jesus plays in all of this? How would you explain your answer to someone who does not know anything about God or the Bible?

Read Romans 6:5-23.

Watch Video Clip #3 (approx. 2 min)

- Take a new small action tonight or tomorrow morning to help Win the Day.
- Find someone new to draft or add onto your team to help you stay on mission and change the world around you.
- Define and write out your mission to contribute and change the world.
- This week, read and memorize Romans 6:22 for your “why” and Romans 6:11 for your “how.”

THINK:

How can drafting well to change the world be considered an exceptional way to think?
