LET'S GET STARTED!

SUPPLIES:

- [Bookmark](#), [Mad Lib Sheet](#), something to write with and color with

WHAT TO DO:

- Print the Bookmark and the Mad Lib sheet or look at them online to make your own.
- Color the Bookmark if you printed it or design your own and write the verse on it from the one online.
- Work with a family member or friend to complete the Mad Lib. Follow the instructions on the page. You can print it or do it online.

SHARE TOGETHER:

- In our series called Snowy Ridge, we've been learning about growing our friendship with God. **What are some ways we grow our friendship with God?** (believing and trusting God, getting quiet to listen to God, read His Word, pray)
- Today we learn about another way we can grow our friendship with God, and it's something we do every time we go to our kids' worship room. Do you know what it is? (allow responses) It's sing! The worship songs we sing are about who God is and are often from Scripture.
- Everything God created worships Him. From the trees to the lights in the sky! And when we join with creation in worshipping God, our friendship with Him will grow! Say this after me:
I **can** (thumbs to chest)
worship God (place hand over heart)

BIBLE STORY

SUPPLIES:

- [Bible Story Cards](#)

WHAT TO DO:

- Read the Bible Story Sheet to learn about a time when Jesus sang and worshiped God. Read the Bible Story Cards online.
- You can also read it in the Bible in Mark 14:12-26.

TO DISCUSS TOGETHER:

- When did Jesus and his disciples sing together? (after sharing a special meal)
- What did they do after they sang together? (went to a garden where Jesus wanted to pray)
- What is one of your favorite worship songs? What do you like about it?
- Why do you think we sing worship songs?
- Singing is just one way to worship God. What are some other ways?

BIBLE STORY SKIT

- Now that you've read the Bible story, watch the Bible Story video online by clicking on [Elementary Bible Story Video](#) on the website.

MORE ABOUT WORSHIP

SUPPLIES:

- [Snowy Ridge Cards](#), [Leader Guide](#), candy or other treat

EXPLAIN: To practice worshiping God, you're going to do a little geocaching. Has anyone ever been geocaching before? Geocaching is when you follow clues and search for something that's hidden. What you find will tell you a fun thing to do or give you a treat! In this game of geocaching, you will hear clues to try and discover the place that is being described on one of the cards.

WHAT TO DO:

- Divide into two teams and place the cards image side up between the two teams.
- Take turns reading the clues on the Leader Guide for the other person or team to try figure out which place the clue is leading them to. Once they know which place, they should pick up the card and give it to a leader to read the back of the card. It may give them something or tell them something to do!
- Continue until all clues have been read and cards have been found!
- Just like God made everything in creation, God made us and we were made to worship Him. Anything that shows love to God is worshiping Him. Anything from singing or dancing to being kind or telling God, "Thanks," we can all worship God

MEMORY VERSE

- Do you know the memory verse yet? Record yourself saying it from memory and send it to tricia@harborsidechurch.org!

PRAY

WHAT TO DO:

- Share prayer requests and pray. You can write prayer requests in a notebook or on a piece of paper to look at during the week. TODAY, thank God for loving us so much and caring for us. Pray that you would take time to worship God this week.
