Read:

Discuss:

How do you carry the presence?

When are you not carrying the presence?

Read:

1 Peter 3:15

Discuss:

How do you prepare for meeting places?

How can you recognize your meeting place?

What is holding you back from stewarding a meeting place? And why does that hold you back? How can you overcome that?

Practice:

Take some time in your group to role play with these suggested scenarios how you can steward a meeting place in these situations:

Scenario 1: Serving a customer with a grievance

Scenario 2: A parent teacher conference

Scenario 3: A meeting with a financial advisor who gave you bad advice

Scenario 4: An emotional meeting with an aging parent?

Challenge:

What is an attribute of God that you don't see in your workplace that is countercultural and can help to steward a meeting place?

Find someone in your day to day, ask them how they are, and ask them if you can pray for them.

Be prayerful in making sure to not add to gossip conversations.
